

PRATTVILLE YMCA CHILD ABUSE AND PREVENTION ONLINE TRAINING VOLUNTEERS

We feel that the protection of our youth and our volunteers is very important. Our volunteers can better protect themselves and our youth if they are prepared and trained in Child Abuse and Prevention. We ask that all volunteers that work with youth complete one online Child Abuse and Prevention training each year.

Below you will find instructions for enrolling and logging into training. These courses are offered through Praesidium. If have any questions or technical difficulties, you may contact Praesidium technical support at support@praesidiuminc.com or 817-801-7773. You may also contact our HR Director, Jennifer Barrett, at jbarrett@prattvilleyymca.org or 365-8852.

Please print the certificate showing that you have completed the course and give it to the program supervisor. Please contact your program supervisor for assistance if you do not have access to internet access or a printer.

Thank you for helping us protect our children at the Y!
